

## John Stokes Ltd Provided Key Speeches at Hard Chrome Seminar

At this year's hard chrome plating seminar, held at MacDermid Enthone Solution's Birmingham base, Tom Stokes gave key speeches on the perspective of a downstream user when complying with the new REACH law.

John Stokes Ltd has been identified as a standout company for its work on REACH! We were happy to provide information and help to other chrome platers to show how John Stokes Ltd has been putting systems in place, to be able to effectively monitor and collect data to make sure our company is complying with the new law.

There was a variety of speakers, giving tips on marketing to experts in technology innovations telling us about the latest developments in hard chrome plating.

Tom Stokes was also able to explain how John Stokes Ltd was investing in the latest in chrome plating chemistry and what advantages this was bringing to the company.

### Tom Stokes Taking on Mount Blanc For Charity!

On the 30th of July, Tom Stokes will be taking on the challenge of reaching the top of mount blanc so he can raise money for the maternity units at Burton's Queen's hospital and the Samuel Johnson Community hospital in Litchfield as a thank you to the staff at the units for all the care and support they gave the Stokes family when Tom's children were born.

Tom has been busy searching for sponsors to help him reach his minimum fundraising target and would

for this great cause to [visit his JustGiving page](#).
